### INFORMATION

The idea of this syndication is to have a fun time with Club members at minimal cost.  
An Information Night will be held on a Monday evening in the coming weeks in the Club Auditorium (All persons will be notified)  
Members can sign up to be in the Syndicate from that night.  
First monthly payment will be late July/early August 2025.  
It is anticipated that the Syndicate will be ready with horses by August/September 2025 (this is an estimate).  
It is hoped that with enough interest we may be able to lease a percentage share of multiple horses.  
Numbers in Syndicate may be limited. Multiple Syndicates may be opened.  
All Members will sign an agreement form and will have monthly fee auto deducted from their nominated bank account.  
Cancellation from Syndicate will require 60 days notice.  
Any payout will only be for the percentage of share within syndicate & only if syndicate has excess funds (profit) in account.  
Any race winnings will be kept in Syndicate account and shares will receive any profits every quarter (September; December; March; June). A minimum amount to be nominated once final numbers are known will be kept in account.  
Race Day Owner passes will be randomly drawn for each race day. Please note if a Horse runs in a Major Carnival in Metro areas, Owners passes are strictly limited by the various race clubs.  
All persons registered with Syndicate will receive trainer updates and monthly statements.
